

Minutes of Meeting - 15/3/10

Present

Sean Anderson (President)
Scott Ramsay (Secretary)
Stuart Dreghorn

1. Sean Anderson apologised on behalf of the exhibition judging panel for missing the announcement deadline publicised on the website, and reported jointly with Stuart Dreghorn and Harrison Reid that the shortlist had been edited to approximately 50 photographs, and that successful entrants would be notified as soon as possible after a meeting tomorrow at 6pm (Tuesday 16/3/10). In the meantime, the shortlisted photographers will be asked to submit full-size, high-resolution images to make sure that a) there will be no withdrawals at the last minute and b) to ensure they are of sufficient quality.
2. Sean Anderson reported that status of the bank account access quest was currently in the bank's court.
3. Loxley Colour will charge £4.70 (inc VAT) per 15" x10" print with 2" (TBC) mount, which will either be delivered to the SRC building for a fee of approximately £5, or picked up by a society member.
4. Stuart Dreghorn and Daniel Oi measured the wall (with props conceived, designed and constructed by Daniel Oi) at Firebird and decided that there was sufficient space for 30 images.
5. The society was told we would be allowed access to the exhibition walls on at 10pm Sunday 28/3/10 to hang the prints.
